

# Passover LARP: GM's Timeline

## Beginning:

- ❑ The zealots blow the cave entrance. The stand-off begins at gun-point. The sheriff and Barney Maguire have the guns and are backing the Preacher. Everyone takes sides.
- ❑ The *Power* is in the body of the lawyer, and is disoriented. The rest of God, called the *All*, is a living energy in the walls.
- ❑ The angel and demon and their people are thrown kilter as their powers are gone in here. All powers except the innocent child's are screwed up. The Preacher can sense a presence in the cave. Briony can secretly scrape passing info from the minds of others psychically, but GM needs to be careful not to blow her cover while passing her this info.

## 20 minutes in:

- ❑ First voices from the walls, speaking CD Message 1: *Greek and Aramaic biblical scripts are heard.* A sign that God is with us in the cave perhaps?
- ❑ Tell the Preacher he can feel a palpable source of power, like that felt from the angel filled children outside and from his own children present in the cave.

## 45 minutes in:

- ❑ Tell the Power that Stan Hutton is a demon and Philip/Phillippa Han is an angel.

## 1 hour in:

- ❑ Second voices from the walls set, CD Message 2: *We're alone. We're afraid. Come back to us, come back inside.*
- ❑ Tell the Preacher the Power he feels is the demonic one from his temptation before the war: The Devil who offered him the world.

## 90 minutes in:

- ❑ Third voices from the walls set message, CD Message 3: *Fear the Preacher.*
- ❑ Tell the Preacher that he can sense the Power on Sarah, earlier if she uses her healing near or on him. Tell him she reeks of the Devil who offered the world to him.

## 2 hours in:

- ❑ Fourth voices from the walls set, CD Message 4: *Hurry, I'm so alone...choose one. Choose one.*

## 150 minutes in:

- ❑ Fifth voices from the walls set, CD Message 5: *Choose a God NOW Mayhew, choose one NOW! Return to us The Power!*
- ❑ Expose Tony Mayhew as the Power and so will begin the debate of who should be God - Air is failing and fast, the All is intent on killing everyone in the cave in its anger. Only a resolution can save the mortals here now, in 30minutes they will all pass out for want of oxygen. Remind Doctor Calvert and nurse Miles that shouting and agitation wastes precious air.

## 5 minutes from the end:

- ❑ In case they are slowing things because they do not fear the mortality - inform the demon and angel that the All has now made them human, so it can kill them too if they fail to capitulate.
