Background

Story	Aspect
Born in Canada but hid out in Seattle's Ork Underground after goblinisation aged 13.	There When It Started
Worked assisting goblinised doctor in the Underground and learned some medicine. Found his calling.	First, Do No Harm
Scraped money together to attend DocWagon™ classes. Did well enough to get job, despite race.	Living the Dream
Excelled on Standard and Critical Response teams. Promoted (not to management). Took extra speciality classes.	I've Been Around a Bit
Years working HTR with partner and best friend Rip, until she's fired for stealing drugs. Lost touch with her.	Rip My Heart Out
